

Libertarian Solution Radio Show

Phoenix Radio Advertising

Advertise your business, product, group or opportunity on our **LIVE Radio Show**. We broadcast on **KFNX 1100** to the Metro Phoenix market and stream worldwide. Our listener demographic is 25 to 55 years old and college educated.

Political Radio is **HOT**:

Our show discusses current issues, politics, free enterprise & responsibility. We have guests that are well known in the fields of politics, economics, technology and business.

Radio Advertising is **EFFECTIVE**:

It's easy to get started. We help you write an ad that is a "**Call to Action**". Our production studio professionally records the ad using voice actors*. Your message is delivered in a format that builds sales, name recognition and consumer confidence. Combine this with our online web advertising to build a smart and effective marketing campaign.

Radio Advertising Won't **Break** the Bank:

Our low rates for prime time broadcasting helps you stretch your advertising budget. We directly work with you on designing the schedule you need, including seasonal specials.

***All radio ads are professionally produced and recorded in our studio**
